Intermediate Unit IV**

Entrepreneurship Academy

The Entrepreneurship Academy is an innovative, unique program for high school seniors. Midwestern Intermediate Unit IV created the Entrepreneurship Academy to provide a full year of entrepreneurial instruction, STEM-based hands-on activities, and community excursions. These allow students to gain insight, experience, and skills foundational in becoming entrepreneurs and community leaders. Seniors have the ability to graduate with as many as 16 college credits from Butler County Community College.

Start Preparing For Your Future Today!
