Bringing Schools Together for Training on SWPBIS in all Tiers

Tier 1 Administrative Overview

This overview is designed to introduce the concepts of School-Wide Positive Behavior Interventions and Supports (SWPBIS) within a multi-tiered system of support. The team-based data-driven problem-solving process will also be discussed. There will be a review of the 3 to 5-year commitment within the Pennsylvania Positive Behavior Intervention Support Network.

Audience: Administrators

Fall Series: September 12, 2018 • 2:00 – 3:30   **Spring Series:** January 9, 2019 • 2:00-3:30

Tier 1 - Day 1

This training is designed to support teams to acquire an understanding of what School-Wide Positive Behavior Interventions and Supports (SWPBIS) is and is not. Teams will analyze qualitative and quantitative data, as well as, develop behavioral expectations and a behavior matrix with faculty input.

Audience: Tier I Core Team

Fall Series: October 8, 2018 • 8:30 – 3:30   **Spring Series:** February 5, 2019 • 8:30-3:30

Tier 1 - Day 2

This training is designed to support teams to understand why and how to teach appropriate behavior. Teams will identify a format for lesson plans to teach appropriate behavior and develop a plan to include teaching staff in the development of behavior lesson plans.

Audience: Tier I Core Team

Fall Series: November 9, 2018 • 8:30 – 3:30   **Spring Series:** March 5, 2019 • 8:30-3:30

Tier 1 - Day 3

This training is designed to establish the importance of data collection for progress monitoring. Teams will define office vs. classroom managed problem behaviors and define how each type of behavior problem is handled in a flow chart display. Teams will review and or revise the district's current office discipline referral forms to become compatible with the SWIS data system. Teams will also design and plan a universal SWPBIS kickoff for staff and students.

Audience: Tier I Core Team

Fall Series: December 6, 2018 • 8:30 – 3:30   **Spring Series:** April 3, 2019 • 8:30-3:30

Tier 1 - Day 4
Rollout & TIPS

This training supports teams with roll-out practices including lesson plans and instructional models of school-wide expectations, to include reinforcement protocols and schedules. Team-Initiated Problem Solving (TIPS) is a conceptual model for problem-solving that has been operationalized into a set of practical procedures to be used during meetings. Use of TIPS procedures can help team members identify, address, and resolve students' social and academic behavior problems.

Audience: Tier I Core Team
