2019-2020

Professional Learning Community for School Psychologists

MIU IV is proud to announce the establishment of a School Psychology Professional Learning Community (PLC) for Butler, Lawrence, and Mercer Counties.

The School Psychology PLC is designed with opportunities for professional development, collegiality, & collaboration.

School Psychology PLC's have been proven to increase job satisfaction among School Psychologists and, most importantly, have had a positive and substantial impact on student learning.
